6th June 2006

Citroën South Africa confirm the following regarding the fitment of EPS-4000 Park Distance Control:

- Sanji Security Systems are the South African distributor for the EPS-4000 Park Distance Control, a parking aid system.
- Sanji Security Systems is responsible for the support and diagnosis of the EPS-4000 Park Distance Control system.

Subject to the conditions above, Citroën South Africa acknowledge and sanction the fitment of the EPS-4000 Park Distance Control to our vehicles, to be reviewed annually from the date above.

Kind Regards,

Antony Shiell
National Manager: Technical and Service
